Important Information

Management Policy

Management has the right to revoke any lift ticket, season pass or program pass for violation of any of our policies, rules or regulations. No refunds will be issued if management revokes your pass or ticket.

Inherent Risk

Our lifts require routine maintenance. We will not be responsible for grease damage to any clothing due to grease from the lifts. This is an inherent risk to the sport.

Cancellation Policy:

1. Greek Peak Cancellation

Greek Peak Mountain Resort reserves the right to cancel programs or close the Greek Peak ski area. Greek Peak will cancel if temperatures are in the single digits, not including wind chill. We generally do not cancel due to rain. Greek Peak will contact you no later than noon on your scheduled day. Greek Peak will schedule a make-up time for lessons. The make-up week is scheduled for February 24-February 28th 2016.

2. School Cancellation

A cancellation made by the school program. Advisors should contact Greek Peak no later than noon on your scheduled day. If the advisor cancels, but is not mandated by the school district or bus company, but Greek Peak remains open a make-up week of lessons is not offered.

A cancellation required by the school district and/or the bus company. Advisors should contact Greek Peak no later than noon on your scheduled day. If a mandated cancellation occurs, Greek Peak will allow the group to come during the same week on a different day, offering lessons. If unable to reschedule during the same week, a make-up week to come ski/ride is offered, without lessons.

Lost pass replacement fee- \$27.00

How to Dress for the Cold:

You will enjoy skiing and snowboarding even more if you are dressed properly. You should always dress for warmth, but temperatures can change from hour to hour. Here are some basic rules for the cold and the changes that may occur.

1. Dress in layers- Two to three medium layers can create more insulation than one bulky garment, because air is trapped between the layers creates insulation. We suggest long underwear.
2. Keep your upper body warm with a good jacket or wind shell, so extra heat can go to your less insulated extremities.
3. Always wear a hat. More than 50% of your body heat escapes through your head, so keep it covered to force heat to your extremities. It is also easy to remove should you become too warm.
4. Mittens are preferable to gloves on the colder days.
5. Protect your face. Use goggles, face mask, or neck gator to cover your face.
6. Remove earrings, bracelets, and metal rings.
7. Avoid too-tight clothing because it reduces circulation.
8. Ski boots and snowboard boots should be snug, but not too tight. Wear only one pair of medium weight socks, since extra socks can cause a poor fit and may actually make you colder if they reduce circulation.

If you follow these guidelines you will be ready to enjoy some of the best snow conditions that winter has to offer. In addition, please remember, there will be plenty of days when you will only need a light sweater and sunglasses. Enjoy!

Skier's Responsibilities

Greek Peak Mountain Resort takes your safety and the safety of everyone on the mountain very seriously. With the inherent risks of skiing and snow sports in general, Greek Peak Mountain Resort follows and enforces the NYS General Obligation Law Article 18, Safety in Skiing Code.

It is YOUR responsibility to know the code. Some highlights of Article 18 are:

- Always stay in control, and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail or are not visible from above.
- Whenever starting down a hill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings.
- Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

This is only a partial list, and you should be aware of the complete Article 18 law, below.

BY LAW YOU ARE REQUIRED TO READ, UNDERSTAND, AND ACCEPT “SKIER RESPONSIBILITIES AND DUTIES” AND “WARNING TO SKIERS” POSTED AT TICKET WINDOWS AND THROUGHOUT THE RESORT.

WARNING TO SKIERS

Downhill skiing, like many other sports, contains inherent risks including but not limited to the risk of personal injury, including catastrophic injury or dear or property damage, which may be caused by variations in terrain or weather conditions or surface or subsurface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps, or other persons using the facilities, or rocks, forest growth, debris, branches, trees, roots, stumps, or other natural objects or manmade objects that are incidental to the provisions or maintenance of a ski facility in New York State. New York law imposes a duty to you to become apprised of, and understand, the risks inherent to the sport of skiing, which are set forth above, so that you may make an informed decision of whether to participate in skiing notwithstanding the risks. New York law also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent in skiing. If you are not willing to assume all of these risks and abide by all of these duties, you must not participate in skiing at this ski area. Instruction and education (Article 18) for a skier relative to the risks inherent to the sport, and the duties for skiers is available upon request at the resort at all times.

ALL PERSONS USING THE GREEK PEAK MOUNTAIN RESORT FACILITIES ARE BOUND BY THE REQUIREMENTS OF THE AFOREMENTIONED CODE. A COMPLETE COPY OF ARTICLE 18 IS AVAILABLE AT THE LIFT TICKET WINDOW. IF YOU WOULD LIKE A COMPLETE COPY OF ARTICLE 18 PLEASE CONTACT THE RESORT AND WE WILL MAIL ONE TO YOU.

You should also know the Reckless Skiing Enforcement Policy, which is in accordance with Article 18. Reckless skiing is a violation of Article 18 and could result in the **loss of your ticket or lift privileges**. A skier is considered to be skiing in a reckless manner that could cause injury to other skiers or him at the ski area. This includes jumping, unreasonable speed or failure to comply with any of the responsibilities of skiers posted at the ski area and defined in Article 18. You may obtain copies of the Skiers Responsibilities and Duties from Article 18 and the Greek Peak Reckless Skiing Enforcement Policy at the resort ticket window upon request.

There is much controversy recently concerning helmet use while skiing. Greek Peak is one of many ski resorts that believe helmet use should be a personal choice, however, for those who choose to wear a helmet, you should ski or board like you don't have a helmet on. Helmets are available for purchase in our Ski Shop or for rent.

The bottom line is; if everyone follows the rules that have been established for the safety of everyone, the mountain will be a fun experience for all of you.

Lessons

Participation:

(Gr 3-12) Elementary School/ Middle School/ High School: 2 weeks or 4 weeks of Beginner, Intermediate, Advanced Lessons, as well as terrain park instruction based on participant interest. The advisor chooses 2/4 weeks for program pass holders. The parent or guardian has the option to select 0 (\$0.00), 2 (\$21.60), or 4 (\$43.20) weeks of lessons for season pass holders. Lesson times for each level will be designated at a later date. Participants must attend the first 2 weeks for 2 lessons and/or first 4 weeks for 4 lessons in order to receive their lessons.

(Gr K-2) Elementary School: 4 weeks of Never Ever, Beginner, Intermediate, Advanced Lessons, or Expert level lessons. Season Pass Holders pay \$43.20 for lessons. Please select the 4 lesson pricing for this option.

- Parents will be able to identify what level their child is at (Never Ever, Green, Blue, Black, or Double Black).
- Participants must select the discipline (skier or snowboarder) and stick with it through the duration of the program.
- Progression Runs will be offered during regularly scheduled traditional group lesson times or during a program lesson.
- As always, Greek Peak will extend first time lessons until the participant receives their green ability sticker.

Please Note: Please see the cancellation policy on page 6 so you are aware of how a cancellation affects your program. Special Needs students should sign-up with the Greek Peak Adaptive Snow Sports Program on the web site, www.GreekPeakMtnResort.com. Lessons are held on Sundays only.

Terrain Based Learning

This season we will be offering a Terrain Based Learning program.

- On Wednesday-Fridays, never-ers will be able to participate in station teaching located between the lesson meeting spot and jr ski and ride in order to develop the skills necessary to participate in traditional lessons. Never Evers, will be able to participate in station teaching that will be available during the first 3 weeks of the program from 3pm-6pm. This will allow never evers to go out immediately to instruction and learn the basics needed to progress to green trails. On Saturdays and Sundays never evers will be able to participate in regular line up lessons and may participate in as many as they want until they earn their green sticker.
- Beginner skiers and boarders will be taken through a course located on the east alpha slope during their designated lessons. This course will assist in teaching basic skiing and snowboarding skills. This course is not manned with staff.
- Intermediate skiers and boarders will be taken through various types of terrain in order to master blue level trails.
- ◇ Advanced and Expert skiers and boarders will be taken through various types of terrain including but not limited to steeps, bumps, and Progression Park to assist in learning more difficult skiing and snowboarding skills during regular lesson times.

Proficiency Evaluation Procedures

In order to provide a safer and more enjoyable skiing environment for all Greek Peak skiers, a Proficiency Clinic will be required for all school program participants.

Here's how it works:

Ability Tag System

Parents will identify when registering their child online if they are a never ever, green circle (beginner), blue square (intermediate), black diamond (advanced), or double black diamond (expert) skier or boarder. Never evers will not receive a leveled sticker. They will be required to participate in the station teaching or group lessons until they are ready for green trails. Beginners will receive a green sticker, intermediates will receive a blue, advanced will receive their black stickers, and experts will receive a double black diamond sticker.

- A green circle sticker will enable the student to ski on the easy slopes, marked with a green circle, only.
- A blue square sticker will designate use of the easy slopes and the more difficult slopes, marked with a blue square.
- ◆ A black diamond sticker will allow the student to ski on any green, blue, including the most difficult slopes, marked with a black diamond.
- ◆◆ A double black diamond sticker will allow the student to ski on any green, blue, black, and double black diamond slope.
- Students will be responsible for keeping their previous stickers. On this and each succeeding visit, no further clinics will be required (unless they seek to upgrade).

It is hoped that with the cooperation between the program advisors, chaperones, students, and Greek Peak, a safer skiing environment will be created with a minimum of inconvenience.

It has been proven that since the implementation of our sticker system there has been a heavy decline in injuries amongst program students.

Participants will earn their next level sticker during regular lesson times. Or if they choose to not take a lesson they can go to the regular group lesson line up and request a progression run. Progression runs are only available during the six week program.

Program Incentives

Water park Trip:

Each school will have the opportunity to visit the water park during public and non-holiday hours as a **group** for \$10.80 per person. The program advisor will designate the day and time of the waterpark trip.
